

**Serving
Kids Hope**

Dear Serving Kids Hope Supporter,

Imagine a healthier generation of children; this is our vision at Serving Kids Hope (SKH). Our vision is more important than ever with the collision of obesity and COVID-19 pandemics. Every generation deserves a healthy future, and the time to help children eat, exercise, cope, sleep, and learn is now! SKH has partnered with Dr. Patricia's Health Club to create and disseminate, *Being Healthy From A to Z*. This innovative program is designed to help children heal academically, socially, emotionally, and physically post-pandemic. *Being Healthy From A to Z* is set in a magical place called KookaMakaLuka, where a flock of birds teaches children how to be the best version of themselves.

Please consider supporting our mission by attending, participating, or sponsoring our Serving Kids Hope/ CrossFit Surf City's Rowraiser on Saturday, May 20th. We will also have silent auction items, raffle prizes, and much more you will not want to miss!

All forms of support will directly help empower children, families, and schools to become healthier. Stop by to support further or cheer on rowers is free!

"Rowraiser"

Raising funds for children's health
